Cook Inlet General Permits for Oil & Gas Exploration

Public Hearings 4/29-5/2, Possible Meeting with Tribal Leaders 4/30

The EPA and the DEC will hold joint public hearings on the Draft Cook Inlet General Permits for Oil and Gas Exploration Activities in federal and state waters in Kenai 4/29, Homer 4/30, and Anchorage 5/2. We had told Cook Inlet tribes that we are open to additional meetings, but that Dan Opalski would not be attending the public hearings. On 4/17 we determined that Dan will be attending the public hearing in Homer. On 4/18 we advised Cook Inlet tribes of Dan's availability on 4/30 from 3:45-5:45pm to meet with tribal leaders willing and able to travel to Homer.
